INT. AMOS' APARTMENT - QUEENS - NEW YORK

AMOS and MIKE sit in the living room shooting the shit.

AMOS

I want to start something man.

MIKE

What the hell you talking about?

AMOS

I've had it. I've finally had enough of this crappy life.

MIKE

We've always had a crappy life. What difference does it make now?

AMOS

It's been stacking up for years, this way of life; if something doesn't change I'm gonna lose it.

MIKE

Dude, relax---

AMOS

You relax, man. Enough with that dude word. You a surfer now? Huh? You riding waves in California or something? Don't dude me all the time.

MIKE

Don't tell me how to talk.

AMOS

Don't dude me, around me. Dude somewhere else. Hate that word. What is a dude, anyway? Do I look like I have buck teeth and sloppy blond hair? Huh? Walking around like I got a surfboard? (doing a voice) "Dude, dude...hey dude, dudical dude." You're from Queens, alright? Talk like you're from Queens.

MIKE

I didn't know you were so angry over the word dude, bro.

AMOS

Well now you know.

MIKE

You're just having a bad day.

AMOS

Bad day? Is that all? How about a bad life? I got a small prick and I'm angry about it.

MIKE

What?!

AMOS

My...I have a small...thing.

MIKE

Dude.

AMOS

Dude! Stop, that word DUDE, dude me one more time man.

MIKE

You just told me something crazy! Who goes around telling people they have a small prick?

AMOS

I am furious! Furious about it. Girls laugh when they see it. The latest girl just got sick. She vomited all over my bathroom sink cause she said she really liked me and it shattered her optimism.

MIKE

Are you messing with me?

AMOS

Hold out your hand man.

MIKE

What---

AMOS

Hold out your freaking hand.

Mike holds out his hand - Amos picks one finger. That one. That's the size. That is what the glorious Lord bestowed upon my shoulders. A life of humiliation and abuse, laughs and lies.

MIKE

Sorry, man.

AMOS

Loretta man....ohhh, Loretta.

MIKE

What?

AMOS

Things were going amazing between us, she was, I mean, it was beyond my belief. Every time I was with her, felt like I was in a dream world bro. Lasted two weeks. Took my time. We finally get down to some real action and out comes little petey and she looks up at me and goes, 'Oh..that it?' I couldn't even look at her, I couldn't...she gets up and sits next to me on the edge of the bed and starts patting me on the back saying, 'Don't worry, don't worry, Amos.' And then comes, 'Can I use your bathroom?' I nod and within two minutes I hear her throwing up in the sink. That was it. I took her home. Not one word was exchanged the whole ride. When I pulled up to her house she looked at me and said, "Does Viagra help with that?" Imagine? Viagra...I mean, I got enough sperm in my balls to light up an entire city for months and she's diagnosing me with Viagra, bro.

MIKE

And you haven't heard from her since?

AMOS

Nope.

MIKE

You try calling her?

AMOS

What for? It's a done deal.

MIKE

What are you gonna to do?

AMOS

About what?

MIKE
Have you gone to the doctor?

AMOS
Doctor?

MIKE
Isn't there some sort of growth hormone pill you can take or something?

AMOS
Don't bother me about that. You fix one thing and then you get another thing.

MIKE
But dud--bro, if it's affecting your whole life, who cares?

AMOS
I've read the side effects. Do I have to go blind to blow my load?

MIKE
Blind?

AMOS
There's all sorts of crazy shit that happens to you. It turns you into a monster.

MIKE
What about those extensions?

AMOS
There's no slicing and dicing going on.

MIKE
Hey...let me ask you this...what about dating a really small chick? Like, search for a woman who's like four feet tall or something.

AMOS
Are you kidding me? I'm almost six foot!

MIKE
I'm trying to help you!

AMOS
I know but it's not helping!

MIKE
All this time.

AMOS
What's that?

MIKE
Nah, you don't seem like a guy who would have a small...you know. I'm just saying.

AMOS
Just saying? Yeah...do I look like a guy who would crack you in your head?

MIKE
Relax Amos, you get too intense.

AMOS
Stop saying stupid shit to me then!

Beat.

MIKE
You hungry, wanna eat something? Want some sushi rolls or something?

AMOS
WHAT?

MIKE
What??

AMOS
You said sushi rolls.

MIKE
Japanese food.

AMOS
Are you comparing my size to a sushi roll?

MIKE
Are you kidding me man?

AMOS
Just answer my question.

MIKE
I can't even believe you're asking me that.

AMOS
Should have never of told you.

MIKE
Relax.

AMOS
You say any thing to anybody I'll
kill you. You hear me?

MIKE
Who am I gonna tell?

AMOS
Tara and her big fat mouth.

MIKE
I swear I won't say a word Amos.

AMOS
I'm so stupid for telling you. I
hate myself!

MIKE
Am I the only one who knows?

AMOS
How can you be the only one? Do
you know how many women I've
hooked up with?

MIKE
That's true.

AMOS
They all have stories about me
now.

MIKE
If everybody knows by now, who
cares?

AMOS
I care! I don't want people
talking about it.

MIKE
Bro, I'm sorry to say but the cats
out of the bag. People talk and
I'm sure---

Amos puts Mike up against the wall.

AMOS
What did you say? Huh? What did
you just say?

MIKE
Amos! I'm trying to put you at
ease.

AMOS
Huh? HUH?

MIKE
People already know
man...listen...I already knew
alright?

AMOS
What?

MIKE
I already knew.

AMOS
KNEW WHAT?

MIKE
About little petey.

AMOS
You knew about little petey?

MIKE
Yeah man.

Amos releases his hold on Mike.
We all do.

AMOS
Who's we?

MIKE
Well, don't get mad...

AMOS
Just tell me WHO?

MIKE
Tara already knows...

AMOS
No way.

MIKE

Bro, listen, Tara knows because she's friends with Little Fran and Little Fran and you hooked up that one time in grammar school and she told Tara, so shit started flying around back then but nobody really took it seriously because we was just kids and not full grown yet, so there was still hope for you, so we thought, if it was true and but then years later you ended up hooking up with Big Fran and Big Fran told Little Fran the same thing and then Tara caught on about it and started talking to people in conversation and one night I was out with them, we were all talking and chilling out at Dunkin' Donuts and you came up in a joke that was made. I can't exactly remember what about but it was in reference to something tiny and both Frans were there and started chuckling and Tara noticed and started laughing really loud like, and you know how Tara starts laughing once she starts laughing, right? And then all the others started asking what was so funny and then one thing led to another and the beans got spilt man, so everybody sort of already knows about it already. (beat) You don't have to be upset about it now since everybody knows, so the pressure is off, right?

AMOS

I wanna die. Listen, get out. I'm moving. I'm gonna disappear and kill myself. I'm done. I'm done with this miserable life.

MIKE

So no sushi?

AMOS

Get out! Get outta my house!

Mike exits for the door.

MIKE

Nobody cares man, we all love you anyway. Don't mean nothing!

AMOS
Leave before I, I don't even know
what I'm gonna do, just leave...

Mike exits.
