EXT. TRAIN TRACKS - NIGHT

RENE and KENDRA walk along train tracks holding hands.

RENE  
When did you first think about it?

KENDRA  
Two years ago...I remember the exact day, actually.

RENE  
What was it?

KENDRA  
My brother. Things happened between us and it set me on a different course.

RENE  
Right. Me, too. Just not my brother.

KENDRA  
I know.

RENE  
Yeah.

KENDRA  
Your Dad...

RENE  
Yep...I never considered it being an option, until we met. Not saying it's a bad alternative to things but, being with you, makes me feel real again.

KENDRA  
Me, too.

RENE  
Not so sure I would want to do it now, unless it was with you...

They look at one another.

KENDRA  
I've thought about that, too. It all depends...

RENE  
On what?

KENDRA  
Depends on trying to make it out  
of this place...

RENE  
I know where there's money, not  
much, but I think it will be  
enough to get us out of here.

KENDRA  
Really?

RENE  
We'd have to get it though, steal  
it.

KENDRA  
Is it risky?

RENE  
Risky enough but worth the reward.

KENDRA  
Well, what's our alternative,  
Rene?

RENE  
We can do this together.

KENDRA  
Let's make it happen.

RENE  
Let's make it happen.
